SELF INTRODUCTION :

- My name is Vivek Arunkumar Sharma, and I am currently pursuing my Bachelor of Commerce degree. I am in at Sanskar Institute of Management & Information Technology, Bhuj.
- I would describe my nature as a blend of authenticity and a strong sense of collaboration. I believe in being genuine and true to myself in all aspects of life, valuing honesty and transparency in my interactions with others.
- My Hobbies are Travelling and Communication.
- I believe that strong analytical skills are fundamental not only for academic excellence but also for success in future professional endeavors. This strength, combined with my dedication to continuous learning, positions me as a student capable of approaching challenges with a thoughtful and strategic mindset.

EDUCATION BACKGROUND :

- I had passed my class 10th examination from Uttar Pradesh Board. I was delighted to know that I had secured 78% marks in your matriculation examination. It is the result of my continued hard work and excellence performance. Really, I had fulfilled the expectations of my family and teachers.
- Throughout the 10th grade, I consistently strived for excellence in all subjects, with a particular focus on Mathematics and Economics.
- With this continue effort, I had continued to 12th – grade in commerce stream in UP Board. My consistent performance and enthusiasm for the subject matter were evident in my exceptional results. I had secured 80 % in my 12th board examination.
- After passing my class 12th examination I had select B.Com . I have always been passionate about the world of finance and business, which led me to choose B.Com as my academic path.

PROFESSIONAL EXPERIENCE :

- I wanted to take a moment to share with you the incredible journey I've had during my first year in the Bachelor of Commerce (B.Com) program. It has been a year filled with growth, challenges, and invaluable experiences.
- From the outset, the curriculum proved to be both comprehensive and engaging. Subjects like Accounting, Business Management, and Economics provided me with a solid foundation in commerce.
- The academic challenges were accompanied by numerous opportunities for personal and professional development. Collaborative projects, presentations, and group discussions not only honed my teamwork and communication skills but also provided practical insights into applying theoretical knowledge in real-world scenario.

FUTURE GOALS :

- I am particularly drawn to the field of banking due to its dynamic nature and the opportunities it offers for continuous learning and growth. My specific skills relevant to banking, such as financial analysis, risk management, good communication skill make me confident in my ability to contribute effectively to the challenges of the banking sector.
- During my academic journey, I have been started preparing for banking exam. These experiences have equipped me with a solid foundation in banking knowledge, and I am excited to apply these skills in a professional setting.

CONCLUSION :

I believe my academic achievements and well-rounded approach to education make me a commendable candidate for further studies in the field of career. I has not only excelled in examinations but has also demonstrated a commitment to personal and academic growth.
